

The Big Rhino Debate

How to best protect rhinos is a highly debated topic. Each opinion is highly polarized and often initiates heated discussions amongst those involved. However, the one opinion we can all agree on is that rhinos need protection. But, how to protect them is up for debate.

Your class will participate in a friendly debate on the best practice to protect rhinos. Follow the steps below and don't forget to share your results with Baby Rhino Rescue!

Part 1. Research:

Use the following resources to assist in your research how to protect rhinos:

Part 2. Your opinion:

Use your research to answer the following questions:

- What do you believe is the best way to protect rhinos?
- List your the resources you used to support your opinion:
- Why is this the best way?
- Why it may **not** work well?

Part 3. Debate:

Now that you are informed and you have decided on the best way (in your opinion) to protect rhinos. Debate/discuss with your fellow classmates which way is best. Don't forget to use your ideas in part 2 to help support your opinion.

Part 4. Decide.

As a class decide what is the best way to protect rhinos. *If you cannot agree on one way, can your class come up with a new way? If so, don't forget to share with Baby Rhino Rescue.
